

28. Hessisches Messersammler-Treffen

Save the date
28.11.21

Dear exhibitors, dear friends,

There is a light at the end of the tunnel...

We all are tired of Covid and are looking forward to a new start soon.

The last year has changed a lot but we see a realistic chance that the exhibition can take place this year.

There are some changes concerning the organisation, too: We are happy to welcome the „Deutsche Messermacher Gilde“ as well as the „Messe Gießen GmbH“ as a co-organizer, so that the risk of the event is not just on our shoulders.

The date, which was traditionally in December, we brought forward to November, 28th.

It will turn out in the short term whether we can have a social evening with food and drinks on Saturday before the show but the traditional buffet that we used to have is definitely cancelled.

The Corona requirements demand an increased planning effort, above all we have to know as early as possible and bindingly who would like to participate.

But nevertheless:

How wonderful that we can start planning again and that things are moving forward in a better direction!

We are already looking forward to see you all again safe and healthy.

Best regards,
Micha
